## Sponsorship Application

Thank you for your interest in our Sponsorship Program. This program provides a way for you to help on a recurring basis to cover or help cover the monthly costs associated with the care, feeding and veterinary care of the sponsored animal(s) over a period of time. You may choose to sponsor a particular horse or animal, or a group of animals. Or we can make the selection for you by choosing a horse or animal in greatest need. Once the needs of your sponsored horse or animal are met, any excess funds will be distributed to another animal in need. This will ensure that the funds you donate will be put to good use and not sitting in a bank account while another animal goes hungry.
